

Attention FCC: I am a daily listener to K-LOVE at 96.1 FM. I listen at home and in my car when traveling. K-LOVE fills a very powerful influence in my daily spiritual nurturing! My husband and I regularly support K-LOVE with a financial pledge. In our rural setting, we do not have another choice for 24/7 contemporary Christian music and Christian insights. Please do not give preference to Low Power FM over K-LOVE's FM translator service in our community. ( Please note that as I shop in several retail shops in Clinton, Missouri, many businesses play K-LOVE as you shop! I really appreciate the "positive influence" in our community.)  
Sincerely, Linda J. Vassar
